# Roly Certificates

## COMMITTED TO THE BEST PRACTICES

At Roly we have different national and international certificates that guarantee the quality of our products and our commitment to society.

### SMETA<sup>®</sup> SMETA 4 PILLARS

Roly has successfully passed the Smeta 4 Pillars ethical audit, which guarantees the company's good practices in the fields of health and the prevention of occupational risks, the regulatory requirements in terms of work, environmental safety, corporate social responsibility and Business ethics.

### OEKO-TEX STANDARD 100

Most Roly products have this certificate that guarantees that they have committed all the environmental requirements during the manufacturing process and that the fabrics, their dyes and any component of the garment, do not contain harmful or dangerous substances.

### ISO 9001: 2015

Roly meets the requirements of management and quality assurance that certifies this international standard.

### ISO 14001: 2015

Compliance with this standard ensures that Roly respects the environment, as it helps to identify, prioritize and manage environmental risks.

### OHSAS 18001: 2007

Roly complies with this norm that establishes the minimum requirements of the best practices in safety and health management at work.

### Sedex<sup>®</sup> SEDEX<sup>®</sup> MEMBERS

As a member of Sedex<sup>®</sup>, Roly assumes the ethical code of this organization and meets all requirements audited under this international social standard, forming part of a global organization that promotes corporate responsibility with society in its broadest spectrum of action. Sedex<sup>®</sup> helps Roly manage its activities on labor rights, health and safety, environment, business and commercial ethics.

### OCS 100 (Organic Content Standard)

Roly has a range of products where more than 95% of its component materials are of certified organic origin.

### ILO (International Labor Organization)

All factories that produce Roly products comply with the provisions of Genoa Convention No. 138, which regulates the minimum age for employing minors.

### AEO

As an "Authorized Economic Operator", Roly is certified as a reliable importing and exporting company for customs authorities throughout the world, which facilitates the transit of merchandise that we commercialize.

### PEFC

Roly is a member of PEFC, a program that promotes the sustainable management of forests to achieve a social, economic and environmental balance, which is why the paper of this catalogue, and of most of the material printed by the company, is obtained from wood from sustainable forests.

## **VALUE & COMMITMENT**

Our effort to achieve responsible products and behaviours makes Roly philosophy to be defined in 5 basic principles.

## **INNOVATION**

Technology and innovation are a key priority that helps us to provide a quality service to our customers.

## **RESPONSE**

At Roly we are aware of the importance of optimal and fast customer service that starts at the time of delivery and is maintained until the reposition of the orders. A responsiveness that adapts to the needs of a constantly changing industry.

## **QUALITY**

Quality controls are a constant from the time of choosing materials to final delivery of any product. A sum of efforts to ensure the satisfaction of the most demanding customers.

## **EXIGENCY**

The tranquility of our customers is guaranteed at all times thanks to the thorough control we make to our production and stock. A commitment to excellence perceptible at different stages of the production process.

## **COMMITMENT**

Development of respectful activities with the environment and protection of human rights make Roly to be a company committed to the future and sustainability of our environment.
